

## **DAN CASKIE**

### **Executive Adjuster**

Dan Caskie boasts an impressive background in disaster recovery and property loss remediation. Dan has held various positions in the Marketing and Financial arenas. He most recently spent 6 years as Marketing Manager and Estimator for ServPro, a leading franchise company for disaster clean-up and restoration work for major disasters as well as individual businesses and homeowners. Dan's vast experience in insurance protocol, procedures and settlement negotiation make him an excellent match for insurance recovery work.

Prior to his tenure at ServPro, Dan held the position of Warranty and Orientation Manager for Toll Brothers, a Fortune 500 company, and builder of luxury homes. His responsibilities included ensuring flawless delivery, documenting and assisting with warranty issues and the coordination of repair team management.

Dan attended Ocean County College and received his Series 7 and 63 Certifications and NJ Life and Health Insurance Licenses. While studying, Dan was recruited as a Stock Broker and worked in local brokerage firms in Monmouth and Ocean County. Dan's versatile background, interpersonal skills and work credentials make him an outstanding member of the team.
